Re: In the Matter of Assurance Telecom, LLC For Authorization to Obtain Numbering Resources Pursuant to Section 52.15(g) of The Commission's Rules WC Docket No. 19-335: Supplement to Application

Dear Ms. Dortch:

On September 19, 2019, Assurance Telecom LLC (“Assurance Telecom”) filed an application for authorization to obtain numbering resources as referenced above.

In response to requests from Commission staff, Assurance Telecom hereby supplements the above-referenced application with the following information.

Assurance Telecom plans to offer interconnected VoIP services in the state of Georgia.

Persons qualified to address issues relating to regulatory requirements, compliance with Commission's rules, 911, and law enforcement on behalf of Assurance Telecom are Jim Dalton, CEO and Juliet Dong, Product Manager.

Assurance Telecom maintains interconnection with its carrier partner Peerless Network (“Peerless”). Peerless maintains interconnection with an ILEC partner. Assurance Telecom has filed interconnection agreements between Assurance Telecom and Peerless in the above-referenced application. Assurance Telecom submits the interconnect agreement between Peerless and its ILEC partner in Exhibit A.

Respectfully submitted,

/s/ Alcina de Figueiredo
